Have you heard of President Obama's visit to Asia last week?

I really **admire** him. He is the first African American President of the country that once **enslaved** people from Africa.

So, have you listened to his **speech**?

Yeah. I guess we can say he's one of the most successful people in the world.

Yes, of course. I even went to the airport to welcome him.

He also helped the U.S. **climb** out of the **financial crisis**.

Yes. I loved it. All of his speeches are so **inspiring**.

Absolutely!
