Are you free tonight? Let`s hang out.

Come on! Seriously! **You have to stop being a social networking addict.**

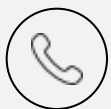

If you don't know who you are interacting with, then how can you call them your real friends? Come to my place, and I'll introduce my friends to you this Saturday.

Not again! It`s time to focus on real life. No more distractions.

Sorry, I can't. I'll stay at home. I want to chat with some friends on Facebook.

Never! Why should I stop using social networks? There's nothing wrong about having fun with friends online.

Can I have their Facebook profiles first?
