What career do you want to pursue in the future?

I want to be a tattoo artist.

No, they aren't. They want me to become a teacher. They don't understand my interests and ambitions. What about you?

Lucky you! You are allowed to follow your passion.

Me too. I will pursue the career and the profession that I want.

I want to be a policewoman. What about you?

That's great. What does your family think about it? Are they supportive?

My parents are very encouraging because they know how much I like helping people respect the law.

Thanks. I will not stop following my dream of bringing law and order to the community.
