Mary

Jane

I'm having a presentation at the end of this semester.

I agree, but I'm a bit worried about it.

Is it hard?

Okay, I see. Thank you for your encouragement.

That will be a good opportunity for you to practice speaking in front of an audience.

You should start working on your presentation skills, then.

No skill is hard if you are determined and willing to put effort into learning it.

You're welcome. I hope your presentation goes well.
