Harris

Adam

Do you like playing golf?

No, I dislike playing golf. It's a silly game.

Well, I think it's a hard and challenging sport. So, why do you dislike it?

Because all you do in that sport is hit a small white ball to try to get it into a hole. **I just find it so boring.**

Still a lot of people enjoy playing and watching a golf game.

I have no idea why they love it. I don't understand why people pay so much money to play this game.

I think you dislike it because you have never tried playing it before.

That might be true.
