Alice

Jack

I want to become a successful person.

I want to be rich enough to afford whatever I want. I also want a big house and an advancing career.

Yeah! I think so. What about you?
What is your definition of success?

So, you could say **success is anything that makes someone happy.**

Successful? What do you mean by 'successful'?

Would you say that's your definition of success?

I think **success can be a combination of things.** It depends on the individual.

Yeah, that's right.
