Dialogue

Learn how to talk about TV repairs.

Adin

Lily

Did you watch the news last night?

What happened?

Have you contacted the manufacturer? **They should be able to repair it for you.**

Any TV repair shop should be able to fix it for you.

No. I couldn't watch anything yesterday because my TV is broken.

The screen just keeps showing vertical lines. What should I do?

But the warranty period has expired. Where else can I get it fixed?

Great. Thanks.
