I want to buy a new television. Do you have any suggestions?

It depends on your budget. How much are you willing to spend?

Around \$1,000. **What size do you think I should buy?**

It depends on where you want to put it. If the space is tight, a big TV won't fit.

I see. And **what brand should I choose?**

I'm not sure, but most people buy one of four major brands - LG, Samsung, Sony or Panasonic.

Okay. Thank you so much.

You're welcome.
