Sam, do you have any siblings?

What do they do?

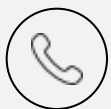

There are six people in my family: my mother, my father, three younger brothers and me.

No, I don't. I have to work on weekends, but I call my parents every day.

Yes, I do. I have two younger sisters. They are really smart and pretty.

They are students. **How many people are in your family?**

Wow... a big family. **Do you often visit your family?**
