Mina

Alice

My son's been having behavior problems recently. I'm so worried.

I have tried to, but he wouldn't open up to me. I don't know what to do now.

Really? Why?

Yeah, sounds right. What about his grades? They are dropping. What should I do about that?

Have you talked with him?

Oh, don't worry too much. Maybe you should talk with his friends first.

They could be a good source of information. You could ask them what your son's been up to.

Talk with his teacher. Maybe she knows what's going on, and she can give you some advice.
